About the Conference

The 14th European Conference of the European Sociological Association (ECSA) will be held in L'Aquila, Italy, from September 10-13, 2024. The conference will bring together sociologists from all over Europe to discuss the latest research on a wide range of social issues.

The conference theme is "Sociology for a Sustainable Future." This theme reflects the growing importance of sociology in understanding and addressing the challenges facing our world today, such as climate change, inequality, and social justice.

Tracks and Workshops

The conference will feature a variety of tracks and workshops on a wide range of topics, including:

- Climate change and sustainability
- Inequality and social justice
- Migration and integration
- Education and social mobility
- Health and well-being
- Work and employment
- Culture and society
- Methods and research

Call for Abstracts

The deadline for submitting abstracts is March 15, 2024. Abstracts should be no more than 300 words and should be submitted online through the conference website.

Registration

Registration for the conference will open in May 2024. The registration fee will include access to all conference sessions, workshops, and social events.

Accommodation

A variety of accommodation options will be available for conference attendees. Information on how to book accommodation will be available on the conference website.

Getting to L'Aquila

L'Aquila is located in central Italy, about 90 kilometers northeast of Rome. The city is easily accessible by train or plane.

More Information

For more information about the conference, please visit the conference website: <https://ecsa2024.org>.
