

14th International Conference TAP 2024: Shaping the Future of Urban Transport

Conference Overview

The 14th International Conference on Transport and Air Pollution (TAP 2024) will be held in Bergen, Norway, from 23-27 June 2024, as part of the Science and Technology for a Sustainable Future (STAF 2024) conference. TAP 2024 will bring together experts from around the world to discuss the latest research on transport and air pollution, and to develop solutions to the challenges facing the sector.

The conference will cover a wide range of topics, including:

Tests and Proofs: 14th International Conference, TAP 2024, Held as Part of STAF 2024, Bergen, Norway, June 22–23, 2024, Proceedings (Lecture Notes in Computer Science Book 12165)

- Air quality and health
- Climate change and transport

- Sustainable transport policies
- Clean and low-carbon technologies
- Transport and land use planning
- Transport and economic development

TAP 2024 will also feature a number of special events, including:

- A keynote address by a leading expert in the field of transport and air pollution
- A panel discussion on the future of urban transport
- A technical exhibition showcasing the latest clean and low-carbon technologies
- A social program that will provide opportunities for networking and collaboration

Conference Goals

The goals of TAP 2024 are to:

- Provide a forum for the exchange of knowledge and ideas on transport and air pollution
- Promote the development of sustainable transport policies and practices
- Encourage the uptake of clean and low-carbon technologies
- Foster collaboration between researchers, policymakers, and industry stakeholders

Conference Format

TAP 2024 will be a hybrid conference, with both in-person and virtual attendance options. The in-person conference will be held at the Bergen Conference Centre, while the virtual conference will be held on a dedicated online platform.

The conference will feature a variety of session formats, including:

- Plenary sessions
- Parallel sessions
- Poster sessions
- Workshops
- Special events

Call for Papers

The TAP 2024 Scientific Committee invites submissions of abstracts for oral and poster presentations. Abstracts should be submitted online by 15 January 2024. For more information, please visit the conference website.

Registration

Registration for TAP 2024 will open in early 2024. The conference fee will include access to all conference sessions, materials, and events. A reduced rate is available for early registration.

Accommodation

A block of hotel rooms has been reserved for TAP 2024 attendees at a discounted rate. To book your accommodation, please visit the conference

website.

Transportation

Bergen is easily accessible by air, rail, and road. The Bergen Airport (BGO) is located just 20 minutes from the city center. The Bergen Railway Station is located in the heart of the city, and provides regular train service to Oslo and other major cities in Norway. Bergen is also connected to the national road network, and there are frequent bus services to and from Oslo and other destinations.

Contact Information

For more information about TAP 2024, please contact the conference secretariat at tap2024@staf2024.org
