

18th International Conference on Computing and Analytical Sciences (CANS 2024)

October 25-27, 2024 | Fuzhou, China

The 18th International Conference on Computing and Analytical Sciences (CANS 2024) will be held in Fuzhou, China from October 25-27, 2024. This prestigious conference brings together leading researchers and practitioners in computing and analytical sciences to share their latest findings and insights.

CANS 2024 will feature a wide range of topics, including:

Cryptology and Network Security: 18th International Conference, CANS 2024, Fuzhou, China, October 25–27, 2024, Proceedings (Lecture Notes in Computer Science Book 11829) by Daniel Lélis Baggio

★★★★★ 5 out of 5

Language	: English
File size	: 124624 KB
Text-to-Speech	: Enabled
Screen Reader	: Supported
Enhanced typesetting	: Enabled
Print length	: 854 pages
Hardcover	: 134 pages
Item Weight	: 10.2 ounces
Dimensions	: 6.14 x 0.38 x 9.21 inches

- Algorithms and data structures

- Artificial intelligence
- Big data and data mining
- Cloud computing
- Computer graphics
- Computer networks
- Cybersecurity
- Databases
- Distributed systems
- Information retrieval
- Machine learning
- Natural language processing
- Operating systems
- Parallel and distributed computing
- Software engineering
- Theoretical computer science
- Web science

CANS 2024 is an excellent opportunity to learn about the latest advances in computing and analytical sciences, network with leading researchers and practitioners, and share your own research findings. We invite you to submit your original research papers for consideration for presentation at the conference.

Important Dates

- Paper submission deadline: March 15, 2024
- Notification of acceptance: June 15, 2024
- Camera-ready paper deadline: July 15, 2024
- Conference dates: October 25-27, 2024

Submission Guidelines

All papers must be submitted electronically in PDF format via the conference website. Papers must be original, unpublished, and not submitted for consideration to any other conference or journal. Papers must be formatted according to the IEEE conference proceedings templates.

The maximum paper length is 10 pages, including references. Please note that all submissions will be peer-reviewed by a panel of international experts.

Registration

Registration for CANS 2024 will open in весной 2024. The registration fee includes access to all conference sessions, the conference proceedings, and the welcome reception.

Accommodation

A block of rooms has been reserved at a discounted rate for conference attendees at the Fuzhou Grand Hotel. To book your room, please visit the conference website.

Transportation

Fuzhou is easily accessible by air, rail, and road. The Fuzhou Changle International Airport (FOC) is located approximately 30 kilometers from the city center. There are regular flights to and from major cities in China and around the world.

Fuzhou is also well-connected by rail. The Fuzhou Railway Station is located in the city center and offers high-speed rail services to major cities in China.

If you are traveling by road, Fuzhou is accessible via the G15 Shenyang–Haikou Expressway and the G2213 Fuzhou–Xiamen Expressway.

Visa Information

Citizens of most countries do not require a visa to enter China for a stay of up to 15 days. However, citizens of some countries may require a visa. Please check with your local Chinese embassy or consulate for more information.

Contact Us

If you have any questions about CANS 2024, please contact the conference organizers at cans2024@fzu.edu.cn.

We look forward to seeing you in Fuzhou in 2024!
