

# 7th International Conference Avr 2024 Lecce Italy September 10 2024 Proceedings

## About the Conference

The 7th International Conference on AVR microcontrollers will be held in Lecce, Italy on September 10, 2024. The conference will bring together researchers, engineers, and practitioners from around the world to share the latest advances in AVR microcontroller technology.

The conference will feature a variety of technical sessions, workshops, and tutorials. Topics covered will include:

### Augmented Reality, Virtual Reality, and Computer Graphics: 7th International Conference, AVR 2024, Lecce, Italy, September 7–10, 2024, Proceedings, Part ... Notes in Computer Science Book 12242) by Paul Doherty

★★★★☆ 4.8 out of 5

Language : English  
File size : 62432 KB  
Text-to-Speech : Enabled  
Screen Reader : Supported  
Enhanced typesetting : Enabled  
Print length : 720 pages

\* AVR microcontroller architecture and design \* AVR microcontroller programming and development \* AVR microcontroller applications \* AVR

microcontroller hardware and software tools \* AVR microcontroller education and training

## **Call for Papers**

The conference organizing committee invites submissions of original research papers on all aspects of AVR microcontroller technology. Papers should be no more than 6 pages in length and should be submitted electronically in PDF format.

The deadline for paper submissions is March 15, 2024.

## **Registration**

Registration for the conference will open in May 2024. The registration fee will include access to all technical sessions, workshops, and tutorials.

## **Accommodation**

A block of rooms has been reserved at a discounted rate for conference attendees at the Hotel President in Lecce. To book your room, please contact the hotel directly and mention the conference name.

## **Transportation**

Lecce is easily accessible by air, rail, and road. The nearest airport is Brindisi Airport (BDS), which is located approximately 50 kilometers from the city center. Lecce is also served by a number of train lines, including the high-speed Frecciarossa train.

## **Things to Do in Lecce**

Lecce is a beautiful city with a rich history and culture. There are many things to see and do in the city, including:

\* Visit the Piazza del Duomo, which is home to the city's cathedral and bell tower. \* Explore the Basilica di Santa Croce, which is one of the most important Baroque churches in Italy. \* Visit the Museo Provinciale Sigismondo Castromediano, which houses a collection of art and artifacts from the region. \* Take a walk through the Giardini Pubblici, which is a beautiful park located in the heart of the city. \* Enjoy the local cuisine, which is known for its use of fresh seafood and vegetables.

The 7th International Conference on AVR microcontrollers is an important event for anyone interested in the latest advances in AVR microcontroller technology. The conference will feature a variety of technical sessions, workshops, and tutorials, as well as opportunities to network with other researchers, engineers, and practitioners from around the world.

We hope to see you in Lecce in September 2024!
