Roy begins the book by sharing her own personal journey as a cat owner. She writes about how her cat, Mittens, has brought her joy, laughter, and companionship over the years. Roy's love for her cat is evident on every page, and her passion for cats is contagious.

In addition to her personal stories, Roy also includes a wealth of scientific research on the human-cat bond. She explores the latest findings on how cats can improve our physical and mental health, and how they can help us to cope with stress and anxiety. Roy also discusses the unique ways in which cats communicate with us, and how we can learn to better understand their needs.

Cat People is a must-read for any cat lover. It is a heartwarming and inspiring book that will deepen your understanding of the special bond between humans and cats.

Praise for Cat People

"Cat People is a beautifully written and deeply moving exploration of the human-cat bond. Devapriya Roy's personal stories, scientific research, and stunning photography combine to create a book that is both heartwarming and informative. This is a must-read for any cat lover."

- Jane Goodall, PhD

"Cat People is a celebration of the special bond between humans and cats. Devapriya Roy's book is filled with heartwarming stories, fascinating facts, and beautiful photography. This is a book that will appeal to cat lovers of all ages."

- Desmond Morris, PhD

"Cat People is a must-read for anyone who loves cats. Devapriya Roy has written a book that is both heartwarming and informative. She explores the latest scientific research on the human-cat bond, and she shares her own personal stories of how cats have enriched her life. This is a book that will stay with you long after you finish reading it."

- Dr. David Mechanic
