Master the Art of Fingerpicking

Fingerpicking is the lifeblood of Old Time guitar playing. Through our expert guidance, you'll learn the intricate patterns, right-hand techniques, and

rhythmic nuances that will bring your playing to life. From simple rolls to complex crosspicking, we'll cover everything you need to develop your fingerstyle mastery.

Uncover the Secrets of Guitar Chords

Explore the essential guitar chords that form the foundation of Old Time music. We'll delve into the theory and practical application of open chords, closed chords, and movable chord shapes, giving you a comprehensive understanding of the harmonic possibilities within this genre.

Melody Playing: The Soul of the Stringband

Learn how to create enchanting melodies that will captivate your audience. Our workshop will teach you the techniques for playing both lead and harmony lines, giving you the skills to improvise and interact with other musicians seamlessly.

Unlock the Rhythmic Drive

Discover the rhythmic backbone of Old Time music, from driving bass lines to syncopated strumming patterns. We'll guide you through the intricate rhythms and time signatures that give this genre its infectious energy.

Immerse Yourself in the Songbook

Our workshop comes with an exclusive songbook featuring a curated collection of classic Old Time tunes. These songs will provide you with practical examples of the techniques and concepts we cover, helping you put your newfound skills into action.
