## What is Snooping and Eavesdropping?

Snooping is the act of secretly looking through someone's belongings or communications. Eavesdropping is the act of secretly listening to someone's conversations.

Both snooping and eavesdropping are illegal in most countries. However, these laws are often difficult to enforce, and snooping and eavesdropping continue to be common problems.

### **Who is Most at Risk of Snooping and Eavesdropping?**

Anyone can be a victim of snooping and eavesdropping. However, certain groups of people are at higher risk, including:
