The OSCE is based on the principles of respect for human rights, democracy, and the rule of law. The organization's activities focus on three main areas:

- **Preventive diplomacy:** The OSCE works to prevent conflicts from breaking out through its activities in areas such as arms control,

confidence-building measures, and human rights monitoring.

- **Crisis management:** The OSCE provides support to countries that are experiencing conflict or instability. The organization's activities in this area include mediation, peacekeeping, and post-conflict reconstruction.
- **Post-conflict rehabilitation:** The OSCE helps countries to rebuild after conflict and to promote long-term peace and stability. The organization's activities in this area include supporting democratic institutions, promoting human rights, and providing economic assistance.

The OSCE has a unique role to play in promoting peace and security in the Euro-Atlantic region. The organization's comprehensive approach to security, its emphasis on cooperation, and its commitment to human rights make it an essential partner in the pursuit of a more peaceful and prosperous future.
