A Comprehensive Guide to the Field

Edited by Thomas W. Zeiler and Robert M. Szymczak

The *Routledge Handbook of Historical International Relations* is a comprehensive guide to the field, providing a cutting-edge overview of the latest research and theoretical approaches. With contributions from leading scholars from around the world, the *Handbook* covers a wide range of topics, including:

- * The origins and development of the international system
- * The role of power, ideology, and identity in international relations
- * The impact of war, diplomacy, and economic interdependence
- * The history of international law and organizations
- * The relationship between international relations and other disciplines, such as history, economics, and political science

The *Handbook* is an essential resource for students and scholars of international relations, as well as for anyone interested in the history of world politics.
