

Think Big with Think Alouds Grades

Think Big with Think Alouds Grades is a revolutionary new approach to teaching and learning that helps students develop their critical thinking skills and achieve their full potential.

Think Alouds are a teaching strategy that involves the teacher modeling their thinking process aloud as they work through a problem or task. This allows students to see how a skilled thinker approaches a problem, and it helps them to develop their own critical thinking skills.

Think Big With Think Alouds, Grades K-5: A Three-Step Planning Process That Develops Strategic Readers
