

Unveiling the Controversial Landscape of Education for Sale

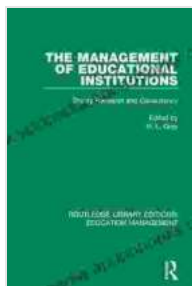

Education for Sale: Routledge Library Editions Education

By Andy Hargreaves, Dennis Shirley, and Michael T. Ryan

Education for Sale is a groundbreaking book that critically examines the impact of privatization, market forces, and neoliberal policies on education systems around the world. Drawing on a wealth of research and case studies, the authors provide a comprehensive analysis of how these forces are shaping the future of education.

This book is essential reading for anyone interested in the future of education. It offers a powerful critique of the current state of affairs and

provides valuable insights into how we can create more equitable and just education systems.
