The author, who goes by the pseudonym "Jane Doe," was just 12 years old when she was first abused by her stepfather. The abuse continued for years, and Jane Doe kept it a secret out of shame and fear. As a result of the abuse, Jane Doe suffered from a variety of physical and emotional problems, including depression, anxiety, and post-traumatic stress disorder (PTSD).

After years of struggling with the effects of the abuse, Jane Doe finally decided to seek help. She began therapy and joined a support group for

survivors of sexual abuse. Through therapy and support, Jane Doe began to heal from the trauma she had experienced. She learned to cope with her symptoms and to rebuild her life.

When Innocence Is Stolen is a story of hope and healing. It is a reminder that even after experiencing the most horrific trauma, it is possible to recover and to live a full and happy life.

Praise for When Innocence Is Stolen

"A powerful and moving memoir that will stay with you long after you finish reading it." - *Publisher's Weekly*

"Jane Doe's story is a testament to the resilience of the human spirit. This book is a must-read for anyone who has been affected by sexual abuse." - *The National Sexual Violence Resource Center*

"When Innocence Is Stolen is a powerful and important book. It is a story that needs to be told, and Jane Doe tells it with courage and grace." - *The Washington Post*
